## MCS BEACH MEET REVIEW SEPTEMBER 19TH, 2010 AT VENTURA BEACH

In attendance were 13 members of the club and 4 guests. We enjoyed a lunch of tri-tip, hamburgers and hot dogs provided by the club and numerous salads, baked beans, chips and desserts prepared by all.

The fog stayed in Oxnard and North of the park so it was pleasantly warm. The wind finally came up at about 11:00AM, so we were able to fly our kites. Carolyn Ragan won the award for getting her kite up first.

There was a mini car show with Max's Packard Clipper, Sue & Dave's Singer, Bea & Jerry's Ford Ranchero, Mike & Liz's '55 Chevrolet, and Carolyn & Bob's Chevy El Camino.

Bernie and Joan received the hard luck trophy as the transmission in their 1952 Pontiac was not shifting properly, so it went home on a flat bed.

There were many gifts auctioned off with Mike and Liz winning the prize for most money spent.

It was a beautiful day for picnicing, playing on the beach, bike riding and visiting with friends.

# From the President's Grease Pit

Here it is already upon us, the Holiday Season!

Summer is gone, actually it really was here on the coast in Ventura County. We did however, have the best Sunday in months for our Club Beach Picnic, it was pleasantly warm and just enough breeze to fly our kites. For those of you who could not attend you were missed. As I write this it is raining and much cooler than it has been. Global warming??? Maybe we should say we live in Southern Oregon of California!! at least here on the coast.

We have some upcoming events to look forward to they are listed in this newsletter so check out the details. They are as follows: Moorpark Car Show on Oct. 24, Halloween Party on Oct. 30th a Museum Tour and lunch in November and the Oxnard Christmas Parade, Dec. 4th and our club Christmas Party.

On a lighter side... Hey, Bernie! How many tow trucks does it take to tow a 1952 Pontiac? Hope it feels better soon!!!

So long for now! Wishing all a happy holiday season, and if I don't see you Merry Christmas.

Watch for the car behind the car in front of you!!!

Sincerely,  
*Jerry*
